

Information for Primary 4 Parents.

This sheet provides you with information about what your child will be learning this term, and shows next steps in their learning. We would encourage you to talk about this with your child, and where possible, assist them with learning at home.

Maths & Numeracy

In maths this term we will be exploring money, identifying coins, paying for items and giving change. P4 will also be looking angles and directions and linking this work closely to our interdisciplinary topic 'My Local area'. Our tables focus this term will be the 9x table and revision of the 4x table. We will continue to reinforce work on multiplication, division, addition and subtraction as well as fact families. Within number talks we will continue to build upon and strengthen the strategies that the children are currently applying. We will conclude the term with work on data handling and solving missing number equations.

Language & Literacy

For Literacy this term P4 will be immersed in poetry, we will study the art of performance poetry as well as the technical writing skills involved in producing poetry. We will celebrate our achievements through poetry recitals. We will be working in co-operative groups to compare and discuss texts. Using our topic as a stimulus we will develop listening and talking skills which will culminate in a talk about local attractions. We will continue to develop our reading for understanding skills in our focussed comprehension lessons each week and through use of Bug Club and the comprehension box. We continue to support and encourage reading for enjoyment at home, we have a wide range of fiction and non-fiction books in our school library available for the pupils to borrow and read outwith school.

Other Class Information

- ✚ Our topic for Science is 'dissolving' we will look at soluble and insoluble materials and factors which cause materials to dissolve. We will use investigating skills and predictions to help us hypothesise.
- ✚ Our focus for Health and Wellbeing this term will be dealing with emergencies which builds upon previous learning and Heartstart training during 'Feel Good Fortnight'.
- ✚ In RME we will be exploring Easter and presenting our findings during a whole school assembly. Additionally we will look at religious special buildings.
- ✚ In PE our focus for this term is gymnastics.
- ✚ In Art we will be learning about art appreciation and building 3D models to coincide with our topic.
- ✚ We will use I C T throughout the curriculum with a focus on PowerPoint presentations
