

Information for Primary 4 Parents.

This sheet provides you with information about what your child will be learning this term, and shows next steps in their learning. We would encourage you to talk about this with your child, and where possible, assist them with learning at home.

Maths & Numeracy

Primary 4 will investigate time this term, we will learn to tell the time on analogue and digital display at five minute intervals. We will also be exploring 24 hour time and working with calendars and timetables. We will be exploring properties of 2D and 3D shapes and how to make shapes using nets. This term we are working on developing our addition and subtraction number talks strategies. Our tables focus this term will be the 3x table and revision of previous learning. We will keep working on using place value to partition large numbers and we will be finding the missing piece to 100 throughout our Big Maths C.L.I.N.T sessions. P4 will also be developing skills to estimate and round numbers to the nearest 10 and 100.

Language & Literacy

For Literacy this term Primary 4 will look at WOW words, connectives, sentence/story openers and punctuation e.g. commas, speech marks, question marks, exclamation marks and apostrophes. In writing we are focusing on writing a recount of an event. In Literacy Evolve we are studying a class novel. We are using this text to develop our overall literacy skills with an insight into fictional text. In P4W our novel is 'The Legend of Spud Murphy' by Eoin Colfer. In P4Z we are studying 'Ottoline and the Yellow Cat' by Chris Riddell. This term we will be looking at how authors create and develop characters. You can support our literacy at home by working with the homework spelling list words using the method look, say, cover, write and check.
