

Information for Nursery Parents.

This sheet provides you with information about what your child will be learning this term, and shows next steps in their learning. We would encourage you to talk about this with your child, and where possible, assist them with learning at home.

Maths & Numeracy

Our focus within the numeracy will be around data handling. The children will be creating graphs to find out about our favourite foods, height, eye colour etc. We will then use ICT to help us make bar charts. The children will continue to work in focused learning groups to further develop their understanding of 1:1 counting, subitising and number recognition. We will be developing our understanding of positional language through play, songs and rhymes.

Language & Literacy

We will be exploring different parts of a book and emphasising who is in the story and what happens next through our focused bookbug sessions. We will be encouraging the importance of reading through our focused library sessions, bedtime reading bags, reading puppy and home link relating to nursery rhyme week. Please help yourself to a book from Zelda the Zebra.

BOOK BUG-Please join your child in a short fun interactive rhyme and reading session. These sessions will run for 4 weeks starting on **Friday the 1st of November**. Specific time slots for each group are detailed below. These are fantastic sessions and we encourage you to come and share these with your child. There is no requirement to sign up.

Other Class Information

Feel Good Focus- We will be participating in a range of activities linked to the whole school feel good focus. The focus will be around our mental health and wellbeing. We will be talking about how exercise, diet and relaxation all help us to maintain good health. We will be talking about our bodies and exploring our senses. We hope you can come and join in the fun at one of our learning together sessions.

Shared Learning - Our shared learning activity this term for our Brilliant Books will focus on different animals that you might find in the woods. We have been using non-fiction books to find out new facts and we hope you can help us find out more at home.

Christmas - Our nativity this year is called the "Higgeldy Piggledy Nativity" and we cannot wait to share these songs with you. We hope you can join us for one of our exciting performances.

V&A- We cant wait to visit the Piarte ship at Rozelle and look forward to being in a museum environment and finding out what life was like for a pirate. A letter highlighting helpers and what your child will require for the excursion will be issued shortly.

Learning together sessions - 12/11/19-14/11/19-A one hour session to come and share in your child's learning. These sessions will have a space theme. Please see the nursery newsletter for further information.
