

Information for Primary 2 Parents

This sheet provides you with information about what your child will be learning this term, and shows next steps in their learning. We would encourage you to talk about this with your child, and where possible, assist them with learning at home.

Maths & Numeracy

Term Two

Primary 2 will be focusing on money this term. We will be looking at recognising different coins, equivalents, adding coins and giving change. As well as this, we will be exploring weight and relating this to our café topic. We will look at units of measure and adding various weights. We will also be continuing to develop our knowledge of mental strategies for addition and subtraction through Big Maths and Number Talks. We will be using these skills to make links to multiplication and division. Finally, we will be learning about fractions and linking this to our daily CLIC sessions.

Language & Literacy

Term Two

In term 2, the class will be exploring Charlie and the Chocolate Factory which will help us to build on our character and setting descriptions in imaginative writing. We will be using VCOP to develop our knowledge of openers and connectives as well as WOW words to make our writing more exciting.

P2 will be back to the normal reading programme and the library will run once a week.

We are continuing to focus on presentation of work and our ability to answer questions about a text.

Other Class Information

Term Two

This term our topic is the Café. For this, we will be exploring the various food groups, where food comes from, menus, food labelling and healthy choices. We will also be taking on various roles to prepare and serve food as well as developing our own chopping and cutting skills.

In addition to this, we will be learning about the 5 senses. We will be carrying out a range of experiments with our STEM Ambassador to see how this impacts on our daily lives.

In Health and Wellbeing we will be taking part in 'Feel Good Fortnight' alongside the whole school and exploring ways to make our minds and bodies feel good. P2 will also be learning what bullying is and how it would make someone feel.

P2 will be looking at Eid Ul Fitr and Christmas as part of our RME topic. We will be completing a variety of arts and crafts activities as well as collage art and colour mixing.

Our shared learning afternoon takes place on Tuesday 3rd December at 9.15am.
