

Information for Primary 4 Parents.

This sheet provides you with information about what your child will be learning this term, and shows next steps in their learning. We would encourage you to talk about this with your child, and where possible, assist them with learning at home.

Maths & Numeracy

In maths this term we will be exploring fractions, focussing on fraction of a shape, fraction of a number and simple equivalent fractions. P4 will also be looking at units of measurement; this will include weight, area, length and volume. We will also be identifying lines of symmetry within shapes and patterns in our environment. We will continue working on the 3x table this term and to help us to link our tables to division facts we will be working on fact families. For number talks and mental maths, we will continue to work on addition and subtraction strategies. We will also be using jigsaw numbers to find the missing piece to 100.

Language & Literacy

For Literacy this term P4 will look at myths and legends. We will create our own imaginative stories in the style of a legend, within this we will investigate character, setting, atmosphere and plot. We will be working in co-operative groups to compare and discuss texts. Through the use of adverbs and pronouns, we will be continuing to work on improving our sentences. We will continue to develop our reading for understanding skills in our focussed comprehension lessons each week and through use of Bug Club and the comprehension box. We encourage reading for enjoyment at home, we have a wide range of fiction and non-fiction books in our school library available for the pupils to borrow and read at home.

Other Class Information

- ✚ Our topic for Science is 'My Amazing Body'. We will be learning about the main organs of the body, how they function and where they are situated. We will also look at the structure of the skeletal frame and will begin to name the main bones.
- ✚ Our focus for Health and Wellbeing this term will be feeling good. Within this we will look at bullying and friendships.
- ✚ Drama and Music this term will be linked to the 'My Amazing Body' topic.
- ✚ In RME we will be looking at the link between the life of Jesus and Christmas.
- ✚ In PE our focus for this term is hockey.
- ✚ In Art we are continuing to work on drawing skills and we will look closely at famous pieces of art.
- ✚ Our I.C.T topics will be word processing skills and researching body facts.
