

Information for Primary 4 Parents.

This sheet provides you with information about what your child will be learning this term, and shows next steps in their learning. We would encourage you to talk about this with your child, and where possible, assist them with learning at home.

Maths & Numeracy

In maths this term, we will continue to investigate equivalent fractions. Later in the term, we will be exploring money by identifying coins, paying for items and giving change. P4 will also be looking angles and directions and linking this work closely to our interdisciplinary topic 'Oor Wee Toon'. Our tables focus this term will be the 4x table and revision of the 3x table. We will continue to reinforce work on multiplication, division, addition and subtraction as well as fact families. Within number talks we will continue to build upon and strengthen the strategies that the children are currently applying. We will conclude the term with work on data handling.

Language & Literacy

For Literacy this term P4 will be immersed in poetry, we will study the art of performance poetry as well as the technical writing skills involved in producing poetry. We will celebrate our achievements through poetry recitals. We will be working in co-operative groups to compare and discuss texts. Using our topic as a stimulus we will develop listening and talking skills which will result in a talk about local attractions. We will continue to develop our reading for understanding skills in our focussed comprehension lessons each week and through use of Bug Club and the comprehension box. We continue to support and encourage reading for enjoyment at home, we have a wide range of fiction and non-fiction books in our school library available for the pupils to borrow and read out with school.

Other Class Information

- ✚ Our topic for Science is 'dissolving' we will look at soluble and insoluble materials and factors which cause materials to dissolve. We will use investigating skills and predictions to help us hypothesise.
- ✚ Our focus for Health and Wellbeing this term will be dealing with emergencies and 'I Wonder'
- ✚ In RME we will be exploring Easter and presenting our findings during a whole school assembly. Additionally we will look at religious special buildings.
- ✚ In PE we will focus on gymnastics and tennis.
- ✚ In Art we will be using animations, stories, poems and music as stimulus to create our artwork
- ✚ We will use I.C.T to explore google earth and maps to support our topic work.
