

# Information for Primary 2/3 Parents

This sheet provides you with information about what your child will be learning this term, and shows next steps in their learning. We would encourage you to talk about this with your child, and where possible, assist them with learning at home.

## Maths & Numeracy

### Term Two

Primary 2/3 will be focussing on 2D and 3D shape. We will be working on identifying and describing various shapes using mathematical vocabulary. We will also be investigating Fractions, Decimals and Percentages as we progress through the term. Using our new-found knowledge to complete a range of tasks and questions.

As ever we will be continuing to develop our knowledge of mental strategies for addition and subtraction through Big Maths and Number Talks. We will be using these skills to make links to multiplication and division. P2 will focus on the 2,5 and 10 while P3 will focus on the 4- and 8-times tables.

## Language & Literacy

### Term Two

In term 2, the class will be exploring Charlie and the Chocolate Factory which will help us to build on our character and setting descriptions in imaginative writing. We will be using VCOP to develop our knowledge of openers and connectives as well as WOW words to make our writing more exciting. We will be sorting words into alphabetical order as part of our grammar work. In reading, we are focussing on different spelling strategies and reading with fluency and expression.

We are continuing to focus on presentation of work and our ability to answer questions about a text.

## Other Class Information

### Term Two

Our Topic this term is Our Five Senses. We will be carrying out a range of experiments to see how we use our senses in our daily lives. We will also be looking into the impact the loss of a sense can have.

In addition to this we will be exploring the Café. For this, we will be learning about the various food groups, where food comes from, menus, food labelling and healthy choices.

P2 will be looking at Home Life and Christmas as part of our RME topic. For Art and Design we will be focussing on our drawing skills and from December onwards will be creating a variety of Christmas Arts and Crafts.

Mrs Howlett will be discussing Equality as part of our Health & Wellbeing topic and also takes us for PE and Maths Problem Solving on Wednesday mornings.
