## Numeracy

### Mental Maths

- Please complete Mental Maths Section 2 Test 1
- You should complete this within 15-20 minutes.
- Please email your teacher your scores as these will be recorded in the class Assessment folder. Good Luck!

Mental Maths Section 2 Test 1 on the school website

### Number Skills

- Sumdog Challenge which will be created by your teacher. Pupils should access their Sumdog account and complete the challenge which will cover basic number skills.

Sumdog

### Multiplication

- Pupils should continue to practise their 2,4,5 and 10 times tables and all number bonds to 20.
- Complete the Sumdog Multiplication challenge.

Sumdog

### Big Maths Beat That

- Pupils should try complete the Big Maths Beat That sheet within 90 seconds. To ensure correct timing we have attached a YouTube link to the tune/timer that the children are familiar with!
- Please do not worry if they do not manage to answer every question in the allocated time as this is a skill that we are continually working on.
- Please email your teacher your score as this will also be recorded in the class Assessment folder.

This term it is important that the children revise their column addition and subtraction strategies. As part of home learning the children will be asked to complete the following column addition and subtraction worksheets:

### Column Addition

ILT: add 2- and 3-digit numbers with carrying.

Triangles - 3-digit column addition worksheet

Squares and Circles - 2-digit column addition worksheet

All addition and subtraction worksheets will be uploaded to the maths section of the school website.

### Column Subtraction

ILT: subtract 2- and 3-digit numbers with borrowing.

Triangles - 3 - digit column addition worksheet

Squares and Circles - 2- digit column addition worksheet

As an extra challenge the Squares and Circles can complete the 3 - digit addition and subtraction worksheet.

### Symmetry

ILT: complete symmetrical patterns.

Following on from our Term 2 topic of Pattern we will be

The Symmetry worksheet will be added to the maths section of the school website.

focusing on investigating lines of symmetry and creating symmetrical patterns.

This week will focus on completing a symmetrical pattern. If you have a small mirror at home this will help you to complete this task.

## Other Curricular Areas

### Health and Wellbeing

**ILT: improve my learning and daily life through creating goals for the future.**

As part of Health and Wellbeing it would be beneficial for the children to focus on their goals for the New Year. We are asking that the children discuss what is meant by a New Years Resolution and decide what would be an achievable goal for the New Year.

We are also asking that the children consider their learning targets for Term 3. These should be emailed to your class teacher as these will be recorded.

E.g.

**Literacy:** I can write sentences accurately with correct punctuation and adjectives.

**Numeracy:** I can recall the facts of my 4 times table accurately and fluently.

I can solve a 3-digit column addition calculation with carrying.

**HWB:** I can talk about my feelings and express when I am worried or upset.

### Art

**ILT: create an image using a variety of materials.**

#### Snowflake on my Tongue

As it is still winter, the children can create this winter inspired picture using materials such as coloured pencils, oil pastels or coloured pens. We look forward to seeing your beautiful pictures 😊

Star templates to write down the New Year's Resolution can be found in the P3 section of the Learning Hub.

You could also explore Art for Kids hub on Youtube where you can follow the instructions to create a variety of different drawings. You could draw along with your parents, brother or sister.

### Other Information

Here are some other activities that you may want to do:

- Tidy your room and or playroom
- Help to make a meal
- If you have a pet spend lots of extra time with them
- Read as much as you can and complete a book review for each book. You could give them a star rating and say what you liked/disliked.
- If you have Netflix, Sky etc watch movies to relax and keep a note of what you have watched with a star rating. We will discuss these when we return to school.
- You have your Sumdog and Education City Login details please use then to access a range of games and resources to help you to keep up your learning.
- Try P.E with Joe Wicks on YouTube.
- On CBBC you could watch the BBC Live lessons.

We hope that you all have had a lovely Christmas and New Year. We understand that these are very challenging times however we would both like to reassure you that we will provide as much support for the children and yourselves as possible.

We will have regular access to our work emails so if you need further clarification we can be contacted at:
