

PLANNED LEARNING

Class	P4	Teacher	Miss Reid/Miss Reid/Mrs Sutherland
Week Beginning	18 th January 2020	Group	

Curriculum Area	Websites / Resources etc
<p>Literacy</p> <p>Reading <u>Bug Club- Over the week read two books and complete all bug questions.</u></p> <ul style="list-style-type: none"> ➤ Predict what might happen in one of your books. Look at the front cover and read the first page. What do you think this story will be about? What do you think will happen in this story? Read the story and find out if your predictions were right. <p>Spelling</p> <p><u>Sumdog- Spelling Challenge- Complete over the duration of a week.</u></p> <ul style="list-style-type: none"> ➤ Play at least 2 spelling games in the spelling games sheet in your jotter with someone at home using this week's spelling words. ➤ Ask your parents to give you a spelling test at the end of the week. Work on the words you find difficult. <p>Writing</p> <p>ILT - up-level sentences using powerful adjectives</p> <p>Eg. The man crossed the road. The tall man crossed the busy road.</p> <p>Try these in your jotter:</p> <ol style="list-style-type: none"> 1. The dog sat on the chair. 2. The lady bought apples at the supermarket. 3. The cat ran up the stairs. 4. The car stopped at the traffic lights. 5. The winner won a prize. <ul style="list-style-type: none"> ➤ <u>Complete the Grammar - adjectives activities in Classwork on Education City (4 activities)</u> <p>Handwriting</p> <p>ILT - join letters "rt" Activity in jotter - join 3 rows of "rt" using finger spaces Think of 3 words that have "rt" and write them neatly - a row of each word. Focus on letter size and neat handwriting 😊</p> <p><i>with rt rt rt rt</i></p>	<p>https://www.activelearnprimary.co.uk/login?c=0</p> <p>https://www.sumdog.com/user/sign_in</p> <p>*LOOK, COVER, SAY, WRITE, CHECK*</p> <p>https://go.educationcity.com</p> <p>https://go.educationcity.com</p>

Numeracy

Rounding Numbers

Sumdog-Challenge - Addition and Subtraction facts within 100

https://www.sumdog.com/user/sign_in

Practise your mental addition/subtraction using **tens and units**.

$$\begin{aligned}\text{Eg. } 43 + 21 &= 40 + 20 = 60 \\ &= 3 + 1 = 4 \\ &= 64\end{aligned}$$

If the unit number is bigger we can use **rounding** to help us:

Eg. $39 + 17 =$

Round 39 up to the nearest 10 which is 40 (so add 1)

$$40 + 17 = 40 + 10 = 50 \text{ then add your 7 units} = 57$$

Then take away the 1 that you added to round

$$57 - 1 = 56$$

OR

$$39 + 17 =$$

Add your units first $39 + 7 = 46$ then add your 10 = 56

Choose whichever strategy you find easiest

Education City-Maths-Rounding numbers

- Complete the rounding numbers activities within the Education City classwork section
- Complete these "estimate by rounding" problems in your jotter, the first one has been done for you.

<https://ec1.educationcity.com/>

1) Example: $34+54=$
 $30+50=80$

2) $65+23=$

3) $37+78=$

4) $27+86=$

5) $42+91=$

6) $23+48=$

Other Curricular Areas

HWB

- Think about a healthy, balanced diet and what ingredients you might need to use to make a healthy snack/meal for your family
- Think about the healthy eating plate that we made in class. Can you google search a healthy recipe to try at home? For example, a prawn salad or a ham salad sandwich.
- This task can be done at any time of the week that suits your family.

P.E.

- Choose your favourite Cosmic Yoga to complete and try meditating afterwards with the Meditation Cards provided on the Learning Hub.
