# Things I Can See

If you go a walk around your local area, take note of the different animals and plants or trees you notice. You can even do this by looking out of your window or going into your garden. Draw some pictures of what you have seen.

A large, empty rectangular box with a black border, intended for drawing pictures of things seen in the local area.

# I Wonder...

Imagine you are a reporter and have travelled back in time! You have landed in Ayr, but how far back have you decided to travel?

Write down some questions you would ask to a person living in Ayr in the time you have chosen to find out about what life in Ayr was like.
