

# Finding Facts Game: Tsunamis

Write or draw the things you know about tsunamis in the box below. You could write or draw about past tsunami events, statistics or the causes and effects of tsunamis. Next, move around the room and swap a fact you know with someone else. You will give them a fact and they will give you one. Write or draw the facts in the waves until all of them are filled.

Some facts I know about tsunamis are:
